

### About Director Ken Martin

Having served as Director of “The Clinic” for 12 years, Ken Martin now brings his outstanding training program and staff to The Edge Hockey Clinic in Bedford.

Ken was a three-time All American at Bowdoin College and held scoring titles for Most Goals and Most Points when he graduated. In 2002, he was recognized for his accomplishment by being named one of the first inductees to Bowdoin's Athletic Hall of Honor. He has coached hockey for 36 years at Belmont Hill School and has won the I.S.L. title 15 times. He celebrated his 600th coaching victory in 2006, and has been elected to the Massachusetts Hockey Hall of Fame in coaching. In addition to coaching hockey, he teaches Latin at Belmont Hill School.

Dear Hockey Family,

On behalf of The Edge Hockey Clinic staff, I would like to welcome you to our 2008 season. Following the model of "The Clinic", The Edge Hockey Clinic is designed to be one of the top hockey instructional camps in the nation. Our progressive program is well complemented by an outstanding staff and superb facilities.

In a tradition of excellence in instruction and supervision, The Edge Hockey Clinic employs professional coach-educators. Our staff comes from some of the top high school, prep school, pro scouts, and collegiate programs in the country.

I look forward to welcoming you to The Edge Hockey Clinic—summer hockey at its best.

*Ken Martin*  
The Edge Hockey Clinic Director

In the summer of 2008, The Edge Hockey Clinic will offer boys', girls', and coed sessions. Participants are grouped according to age, size, and ability level. The on-ice sessions are broken up into small groups to allow for specialized attention. There are three ice sessions daily, each with one or more hours of on-ice training, including checking, power skating, shooting, and a scrimmage. Off-ice, the players work on speed development and agility. Our program includes plyometrics, agility, and conditioning. We also introduce the participants to an off-ice weight program for hockey and include x's and o's, as well as a chance to speak with college and international players. Goalies are involved in all these activities, as well as their own goalie sessions. Each session ends with a game Friday evening.

The day generally runs from 8:00 AM to 4:00 PM. The coaching staff conducts off-ice hockey lectures and submits individual reports on each player. Medical personnel are in attendance at The Edge Clinic.

Players must provide all equipment. The Edge Hockey Clinic provides jerseys, but players should bring a spare jersey. Required equipment includes skates; helmet; face masks; gloves; pants; stockings; shin, shoulder, and elbow pads; water bottle; mouthpiece; and towels. A pro shop is available.

#### Application

**Please note that enrollment is limited.**

Please complete the attached application and include a \$310 non-refundable deposit made payable to "The Edge Sports Center". Final payment must be received by May 18, 2008 and no refunds will be made after that date.

When your application and deposit have been received, we will e-mail each player confirmation of enrollment along with an information sheet, and medical, emergency, code of conduct and insurance forms. This will be the only mailing you will receive from us.

#### Please mail your registration and deposit to:

The Edge Sports Center

#### REGISTRATION FORM

Please enroll the applicant named below. I understand that neither The Edge Hockey Clinic nor anyone associated with The Edge Hockey Clinic will assume any responsibility for accidents and medical or dental expenses incurred as a result of participation in this program. The applicant is in good health and able to participate in the physical activity of a vigorous program. I understand that I must furnish proof of health, accident insurance coverage, and current medical form to The Edge Hockey Clinic before the player is allowed on the ice. My non-refundable deposit is enclosed (\$310 per Session). Final payment of \$200 per Session must be received by May 18, 2008.
